### **WCTPA Extra Mailing or Retired Grower Membership**

Hello friends. We appreciate your interest in receiving the *Quarterly Journal*.

This membership level is available to people who are

- 1) retired from the industry and do not "actively grow or market trees and/or wreath products in or from Wisconsin or Upper Peninsula of Michigan" or
- 2) those individuals who work for an active member and would like a second subscription.

If you do "actively grow or market trees...", you qualify to be a Full Active Member.

With this subscription, you will receive a membership directory in January, and three issues of the Journal in April, July, and October, along with the convention information. You may attend our convention at the member rate. This is a non-voting membership and you are not eligible to advertise on the WCTPA web site.

Please return the payment page that I have included with this note.

### **Trees for Troops**

This is your chance to donate to the Trees for Troops program. The Christmas Spirit Foundation (charitable branch of the National Christmas Tree Association) coordinates the collection and distribution of trees donated by Christmas tree growers and given to military families throughout the U.S. This program generates good will for the industry along with media attention. The program will gladly accept your monetary donation. You may make a check payable to "Christmas Spirit Foundation" and mail it to them directly at: Christmas Spirit Foundation, 2650 S. Hanley Road, Ste 100, St. Louis, MO 63144. The EIN for the Christmas SPIRIT Foundation is 20-3361126. Trees for Troops is #12283 in the Combined Federal Campaign, which may also be eligible for matching employer donations.

We hope you enjoy the journal.

Sincerely,

*Cheryl*
