Associate Membership

Hello friends. We appreciate your interest in the Wisconsin Christmas Tree Producers Association.

This is for persons or firms interested in the Christmas tree or related products industry, such as wholesalers, retailers, related industry groups, public or private agencies or associations, and other state's growers. It is for those who do not actively grow or market trees and/or wreath products in or from Wisconsin or Upper Peninsula of Michigan.

With this membership, you will receive a membership directory in January, and three issues of the Journal in April, July, and October, along with the convention information. You may attend our convention at the member rate. Our Associate Membership is a non-voting membership and you are not eligible to advertise on the WCTPA web site.

We look forward to having you join us. Please fill out and return the payment page with your payment.

Thank you for your support. We hope you enjoy reading our news.

Sincerely,

Cheryl

P.S. Donate to Trees for Troops
We can collect your donation for the Trees for Troops program, if you would like. The Christmas Spirit Foundation (charitable branch of the National Christmas Tree Association) coordinates the collection and distribution of trees donated by Christmas tree growers and given to military families throughout the United States and abroad. This program generates good will for the industry along with news media reports. In Wisconsin, our goal is to donate 600 trees. The program will gladly accept a monetary donation, because it costs about $5 per tree to run this program.

You may send your monetary donation to us and we will forward the amount to the Christmas Spirit Foundation. Or you may mail it directly to Christmas Spirit Foundation, 2650 S. Hanley Road, Ste 100, St. Louis, MO 63144.

The EIN for the Christmas SPIRIT Foundation is 20-3361126. Trees for Troops is #12283 in the Combined Federal Campaign, which may also be eligible for matching employer donations.
