Associate Membership

Hello friends. We appreciate your interest in the Wisconsin Christmas Tree Producers Association.

Our Associate Membership is \$100 per fiscal year.

This is for persons or firms interested in the Christmas tree or related products industry, such as wholesalers, retailers, related industry groups, public or private agencies or associations, and other state's growers. It is for those who do not actively grow or market trees and/or wreath products in or from Wisconsin or Upper Peninsula of Michigan.

With this membership, you will receive a membership directory in January, and three issues of the Journal in April, July, and October, along with the convention information. You may attend our convention at the member rate. This is a non-voting membership and you are not eligible to advertise on the WCTPA web site.

We look forward to having you join us. Please fill out and return the payment page with your payment.

Thank you for your support. We hope you enjoy reading our news.

Sincerely,

Cheryl

P.S. Donate to Trees for Troops

We can collect your donation for the Trees for Troops program, if you would like. The Christmas Spirit Foundation (charitable branch of the National Christmas Tree Association) coordinates the collection and distribution of trees donated by Christmas tree growers and given to military families throughout the United States and abroad. This program generates good will for the industry along with news media reports. In Wisconsin, our goal is to donate 600 trees. The program will gladly accept a monetary donation, because it costs about \$5 per tree to run the program at the national level.

You may send your monetary donation to us and we will forward the amount to the Christmas Spirit Foundation. (To get a tax deduction, make a check payable to "Christmas Spirit Foundation" and mail it to them directly at: Christmas Spirit Foundation, P.O. Box 3729, Littleton, CO 80161.)
